Consolidation

The way we live

Unit 1

In this unit

- you will compare different ways of life.
 - you will listen to families from many parts of the world, talk about the food they eat.
 - you will make a list of all the things you eat in a day.
 - you will discuss how to save energy.
 - you will learn a song.
 - you will make a wallet out of a used tetra pack.
-
- you will ask questions with “how much” and “how many”.

Warm-up

- 1 *Look at the pictures on the next two pages.
Can you find foods that every family eats?*
- 2 *Think of what you had for breakfast.
Who had things that were produced locally?
Who had things from far away?*

TOPIC **A week's food around the world**

The following pictures* show you families from all over the world and the food they eat in a week.

The Melander family from Germany

The Bainton family from England

* The photos are from the book "Hungry planet - What the world eats" (2005).

1 Look at the pictures carefully. Then listen to the texts. What can you find out about each family?

The Patkar family from India

The Ayme family from Ecuador

TASKS **One week's food**

1 Listen again and say

- a The Melanders
What are Kjell's and Finn's favourite foods?
- b The Baintons
Can you name three things that are typical for an English breakfast?
- c The Patkans
Can you say something about the local market?
- d The Aymes
What foods does the family grow itself?

2 Look and guess

How much money does each family spend on the food for one week?

\$ 31.60

\$ 500

\$ 39.30

\$ 253

How much money does each family spend on snacks and sweets?

\$ 0

\$ 2.30

\$ 14.60

\$ 26.90

3 Search, find or guess

- a The Melanders
How many glass bottles will they have to recycle?
Find the fruit. Where do you think it came from?
- b The Baintons
How many chocolate and sweet packages can you find?
How many fresh products can you find?
- c The Patkars
How many sauces and dips are there on the small table in the front?
How much chocolate do the Patkars eat?
- d The Aymes
How many kilos of potatoes do they eat?
How much salt is there in the small bag behind the bananas?
- 4 Choose one of the pictures. Make a list of the things you find interesting.
Examples: You can list the food you like or don't like, the sweets, the drinks etc.
Read your list to a friend. Can he or she find the things in the picture?
