Fall 9

**Woran sieht Pfiffig, wer die Täter sind?
Kreise ein.**

- In welchem Monat findet der Schneemann-Wettbewerb statt?
Der Schneemann-Wettbewerb findet im Dezember statt, da in einigen Tagen die Weihnachtsferien beginnen.
- Was passiert zwischen der 1. Holzpause und der 4. Stunde?
Zwischen der 1. Holzpause und der 4. Stunde hat jemand den Schneemann der 4b größer gemacht und den Schneemann der 3a zerstört.
- Was empfiehlt Pfiffig den Tätern?
Pfiffig empfiehlt, dass sich die beiden Täter freiwillig melden, sich entschuldigen und die Schneemänner in ihren alten Zustand bringen sollten.
- Wer hat bis zum Ende der 1. Pause den größten Schneemann gebaut?
Ken hat den Schneemann der 3a zerstört. Susi hat am Schneemann der 4b weitergebaut. Ihre Schuhsohlen passen mit den Abdrücken im Schnee überein. Auf den Klassenzettel sieht man, wer wie heißt.

Fall 10

Wieso weiß Pfiffig, dass die Mädchen schwänzen? Kreise ein.

- Was möchte Detektiv Pfiffig kaufen?
Detektiv Pfiffig möchte sich eine neue Lupe und eine Peife kaufen.
- Über welches Handy unterhalten sich die Mädchen?
Was ist am Handy besonders?
Die Mädchen unterhalten sich über das Handy „H4“, weil man mit dem Handy Musik hören, abgrafeieren, fünf Spiele spielen... im Internet surfen und sogar Mini-Filme drehen kann.
- Wie heißen die Mädchen und ihre Lehrerin?
Die Mädchen heißen Ute und Carolin und ihre Lehrerin heißt Pia Pinsel.
- Was haben die Mädchen gestohlen? Begründe.
Ute hat eine Halskette und Carolin eine Armbanduhr gestohlen.
Auf Bild 2 tragen die Mädchen keinen Schmuck, auf Bild 4 hat Ute die Halskette und Carolin hat die Armbanduhr an.
